*****Employment Training Bond Agreement*****

The articles of agreement made and executed on _____.

Between

BestRun Company

of the first part

And

Of the second part

and whereby the employee has been working as the Machine Learning Analyst in the Institute from

_____.

And whereby the employer has felt the need to enter into an agreement of one year five months valid from _____ with the employee being given all the costs incurred by the Employer concerning the training and career development.

And whereby the employee has agreed to undertake the service bond for the one year five months period that the company is offering from the _____ following the terms and conditions discussed and agreed.

The reviewed and agreed terms are:

1. The employee agrees to enter into the training bond agreement with the Institute for one year five months from _____ under the following terms and conditions.
2. Whatever reason that might prompt the employee to leave the institute, he shall have to pay the institute a pro rata share of the training costs that are not paid by way of service.
3. The institute shall pay the employee US\$ 5000 on successful completion of the training as decided by the Institute and later placed in the suitable position as agreed before the training.
4. During the training, the employee must show diligence in their performance and attend all training without fail or else face a termination with a month's notice or a month's payment to the institute.
